**1. Execution of the Lease Reservation Agreement**

**(1) Background leading to the execution**

As part of our overall growth strategy, the Polaris Group has been strengthening the acquisition of hotel management contracts from both our sponsor, Star Asia Group, and from third-party hotel owners. And as part of the continued expansion of management contracts, we are happy to announce, that Hiroshima based Real Estate company, MARIMO has highly valued our hotel management performance, collaborative performance abilities, and the growth potential of the Polaris Group and has agreed to execute a new Lease Reservation Agreement, which will further expand operating platform of the Company.

The fixed-term building lease agreement (hereafter, the “Lease Agreement”) to be concluded pursuant to the Lease Reservation Agreement, will be a long-term lease agreement based on a combination of fixed and variable rents, and will secure long-term management opportunities for Polaris Group. With this Lease Agreement, the Polaris Group continues to improve its earnings structure with hotel operations.

The property is very central, located just a 4-minute walk from Sendai Subway Station and a 7-minute walk from the west exit of JR Sendai Station—a convenient location for both business and leisure travelers. The Polaris group already operates three hotels within central Sendai City, and with the addition of this property, both sales and operational collaboration and scale within the same area will improve even more.

The property is scheduled to be operated under the “KOKO HOTEL” brand.
