Polaris Enters Its First Master Lease Transaction for Hotel Property in Nagoya

Polaris Holdings Co., Ltd. has executed a lease agreement for a hotel property in Nagoya, Aichi Prefecture with ESCON JAPAN REIT Investment Corporation (TSE REIT: 2971), marking Polaris's first master lease transaction. Through this transaction, Polaris aims to expand its hotel operations platform by establishing a new business structure.

1. Background Leading to the Execution of the Lease Agreement

Based on the growth strategy outlined in its medium-term management plan, Polaris Group has been strengthening its efforts to expand its hotel operations platform by proactively undertaking new hotel management projects from both its sponsor, Star Asia Group, and third-party hotel owners.

For this transaction, Polaris will enter into a structure where it will lease the Property in its entirety as the master lessee and then, in turn, enter into a hotel management agreement with SONO Hospitality (Thailand) Ltd. ("SONO"), a member of the SONO Group, which operates hotels globally with its origins in South Korea. Under this structure, Polaris, as the hotel owning company, will outsource the hotel operations to SONO.

This transaction represents Polaris's first master lease business and reflects Escon Japan REIT Investment Corporation's recognition of Polaris's hotel management capabilities, including its ability to select and oversee hotel operators.

The Property is a lodging-focused hotel located near JR Nagoya Station, offering convenient access to one of Japan's major transportation hubs. However, with strong accessibility and close proximity to the train station area, the hotel is well positioned to capture demand from both business and leisure travelers.
